Dysentery, Bloody Flux, Diarrhou, and all disorders of the Bowels. THE Grafenberg Dis-ntery Syrup, is sovereign in all disorders of the Bowels. Nothing is more injurious than the use of optates in such disorders. The Dyscotery Syrup neutralises the acridity and chemically alters the contents of the Bowels and very gradually checks the dis-charges. A thousand certificates of its efficacy could be got in Middle Tennessee abone, but we prefer to give but one, from the chairman if the Board of Health, New

IMPORTANT TO MANUFACTURERS AND SPECULATORS.

this new invention ! offered for sale by the in ventors. This Planter was invented by an old cott planter, and we feel safe in saving it is the best im-plement ever offered to the South. This Machine conts in the following par ntars and works as fol lows: Harrows the bed or ridge, and opens the fur row, and drops the seed the work at one going over, and saves the labor of four men and three done in the usual way

This Machine is also an elegant Cultivator, after the Cotton is up. The front plow, hopper, and covering block may all be removed, and Scrapers screwed on. And then you scrape both sides of the row, and harrow the ground, and plow the cotton, if necessary, all at once; thus saving the labor of at least 5 or 6 hands. The above Machines can be got up at a cost of not over eleven dollars, and can be sold in the South for \$ 5 or \$80 as fast as they could be manufactured or shipped there. Do not let anything prevent you making an investigation of our Cotton Planter. We challenge the world to show a better or more labor saving and useful implement for the purpose ecommended. The first objection is yet got to be set up against it.

A small model of our Planter may be seen at the Sewance House, College street, Nashville. We have set the Patent Right of this Machine at 2% cents on the bale of cotton, produced of any State. Reference being had to the Statistic We can be seen at the Sewages House at present. After a few days, address LJUSTICE & GALBREATH. Call and see the model.

CINCINNATI DISTILLERY. S.N. PIKE'S Magnolia WHISKEY Cincinnati OHIO.

COUNTERFEIT: CAUTION TO PARTIES PURCHASING S. N. PIKE'S Magnolia Whisky. CINCINNATI, OHIO.

THE UNDERSIGNED, wanufacturer and sele-proprietor of the above brand of WHISKY, would respectfully inform his customers and pur-chasers of this celebrated brand, that there has appeared in chasers of this celebrated orano, that here has appeared in the Charleston and other Southern markets a counterfeit of the above Whisky, being a poisonous imitation, branded similar to his brand; it passes under the name of S. N. Dike's Magnolia Whisky, Cincinnati, Ohio, and other names similar to S. N. Pike. As there is no party in this city of the name of S. N. Dike, it is intended to impose and deceive those who would jurchase the genuine brand. I make this statement to rate parties on their mard, as there are several statement to put parties on their guard, as there are several persons in the east and west making an imitation, and using my name with a slight alteration. I have analyzed several samples of this counterfeit brand, and found that it contains a deadly poison: this fact alone impels me to caution the public, protect those who are liable to be covived, and prevent the evil results attending the use of this poisonous imitation. I also hereby caution the counter-feiters of my brand that I will prosecute them to the full extent of the law. The genuine S. N Pike's Magnolia Whisky is distilled from the best qualitities of Ryc and Corn, and is warranted free from any deleterious or obnoxious compound, it being a pure and healthy beverage. Many parties have recently commenced making a bran of Whisky Catago Magnolia, but they are an immitatio of my trade brand, so be careful as d get the only genuin Magnotia Whisky made in the United States, and distille only by me.
